## Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

## **SECTION 4: First-aid measures**

#### 4.1. Description of first aid measures

| First-aid measures after inhalation<br>First-aid measures after skin contact | <ul><li>Remove person to fresh air and keep comfortable for breathing.</li><li>Wash skin with plenty of water.</li></ul> |
|--|--|
| First-aid measures after eye contact<br>First-aid measures after ingestion   | <ul><li>Rinse eyes with water as a precaution.</li><li>Call a poison center or a doctor if you feel unwell.</li></ul>    |

4.2. Most important symptoms and effects (acute and delayed)

No additional information available

4.3. Immediate medical attention and special treatment, if necessary

Treat symptomatically.

| SECTION 5: Fire-fighting measures                                   |  |  |  |
|---|--|--|--|
| 5.1. Suitable (and unsuitable) extinguishing media                  |  |  |  |
| Suitable extinguishing media  | : Water spray. Dry powder. Foam. Carbon dioxide.   |  |  |
| 5.2. Specific hazards arising from the chem                         | ical   |  |  |
| Hazardous decomposition products in case of fire                    | : Toxic fumes may be released.   |  |  |
| 5.3. Special protective equipment and precautions for fire-fighters |  |  |  |
| Protection during firefighting                                      | : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing. |  |  |

| SECTION 6: Accidental release measures       |   |  |  |
|--|---|--|--|
| 6.1. Personal precautions, protective equipr | ment and emergency procedures   |  |  |
| 6.1.1. For non-emergency personnel           |   |  |  |
| Emergency procedures                         | : Ventilate spillage area.  |  |  |
| 6.1.2. For emergency responders              |   |  |  |
| Protective equipment                         | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |  |  |
| 6.2. Environmental precautions               |   |  |  |
| Avoid release to the environment.            |   |  |  |
| 6.3. Methods and material for containment a  | and cleaning up   |  |  |
| For containment                              | : Collect spillage.   |  |  |
|  |   |  |  |
|  |   |  |  |

6.4. Reference to other sections

For further information refer to section 13.

# Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| SECTION 7: Handling and storage  |   |  |  |
|--|---|--|--|
| 7.1. Precautions for safe handling                                       |   |  |  |
| Precautions for safe handling<br>Hygiene measures                        | <ul> <li>Ensure good ventilation of the work station. Wear personal protective equipment.</li> <li>Do not eat, drink or smoke when using this product. Always wash hands after handling the product.</li> </ul> |  |  |
| 7.2. Conditions for safe storage, including a                            | any incompatibilities   |  |  |
| Storage conditions   | : Store in a well-ventilated place. Keep cool.  |  |  |
| SECTION 8: Exposure controls/persona                                     | al protection   |  |  |
| 8.1. Control parameters  |   |  |  |
| TURBINEGARD R&O ISO 46   |   |  |  |
| No additional information available                                      |   |  |  |
| Distillates, hydrotreated heavy paraffinic (6                            | i4742-54-7)   |  |  |
| No additional information available                                      |   |  |  |
| 8.2. Appropriate engineering controls                                    |   |  |  |
| Appropriate engineering controls<br>Environmental exposure controls      | <ul><li>Ensure good ventilation of the work station.</li><li>Avoid release to the environment.</li></ul>  |  |  |
| 8.3. Individual protection measures/Persona                              | al protective equipment   |  |  |
| Hand protection:   |   |  |  |
| Protective gloves  |   |  |  |
| Eye protection:  |   |  |  |
| Safety glasses   |   |  |  |
| Skin and body protection:  |   |  |  |
| Wear suitable protective clothing  |   |  |  |
| Respiratory protection:  |   |  |  |
| In case of insufficient ventilation, wear suitable respiratory equipment |   |  |  |
| Personal protective equipment symbol(s):                                 |   |  |  |
|  |   |  |  |

| SECTION 9: Physical and chemical properties |                                  |  |
|---|----------------------------------|--|
| 9.1. Information on basic                   | physical and chemical properties |  |
| Physical state                              | : Liquid                         |  |

: Amber, clear liquid.

## Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Odour   | : Mild petroleum, hydrocarbon                            |
|---|--|
| Odour threshold                                 | : No data available                                      |
| рН  | : No data available                                      |
| Melting point                                   | : Not applicable   |
| Freezing point                                  | : No data available                                      |
| Boiling point                                   | : Expected to be >260°C (500°F)                          |
| Flash point                                     | : 216 °C (420.8°F)                                       |
| Relative evaporation rate (butylacetate=1)      | : Negligible at STP                                      |
| Flammability (solid, gas)                       | : Not applicable.  |
| Vapour pressure                                 | : Negligible at STP                                      |
| Relative vapour density at 20 °C                | : > 1 at STP   |
| Relative density                                | : 0.86   |
| Density   | : 7.17 lb/gal  |
| Solubility                                      | : Material nearly insoluble in water.                    |
| Partition coefficient n-octanol/water (Log Pow) | : No data available                                      |
| Auto-ignition temperature                       | : No data available                                      |
| Decomposition temperature                       | : No data available                                      |
| Viscosity, kinematic                            | : 46.21 mm²/s at 40°C (104°F), 7.26 cSt at 100°C (212°F) |
| Viscosity, dynamic                              | : No data available                                      |
| Explosive limits                                | : No data available                                      |
| Explosive properties                            | : No data available                                      |
| Oxidising properties                            | : No data available                                      |

9.2. Other information

No additional information available

## SECTION 10: Stability and reactivity

#### 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

**10.2. Chemical stability** 

Stable under normal conditions.

**10.3. Possibility of hazardous reactions** 

No dangerous reactions known under normal conditions of use.

**10.4. Conditions to avoid** 

None under recommended storage and handling conditions (see section 7).

**10.5. Incompatible materials** 

No additional information available

**10.6. Hazardous decomposition products** 

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

| SECTION 11: Toxicological information                  |                                      |  |  |
