

Product No: 500644, 566338, 501967

## General Purpose #2 Grease

Water Resistant and Excellent Rust Protection; High Drop Point  
Suitable for High Temperature Applications

### Description

Gard™ General Purpose Lithium #2 Grease is a premium, non-extreme pressure lithium grease developed specifically for general purpose lubrication.

Gard General Purpose Lithium #2 Grease has fully refined lube stock and quality lithium soap used in compounding. Rust and oxidation additive treatment further enhances its lubricating effectiveness.

### Application

- Gard General Purpose Lithium #2 Grease is recommended for use in farm, construction, logging, and industrial applications where lithium NLGi No. 2, non-EP grease is suitable

### Benefits

- High level of oxidation and corrosion resistance
- Protects steel and copper alloys
- Superior water resistance that resists washout

Product No: 500644, 566338, 501967

## TYPICAL PROPERTIES

	Method	Typical
Soap Type		Conventional Lithium
NLGI Grade		2
Color, Observed		Amber
Unworked Penetration	D-217	278
Worked Penetration, 60 Strokes	D-217	280
Dropping Point °C (°F)	D-2265	199 (390) Min.
Rust Prevention	D-1743	Pass
Base Material		
Viscosity @ 40°C, cSt	D-445	167
Martin Lubricants Bulk Number		501778
MSP Code		NLG-1010
